AMERICAN LEGION POST 44

Mist covered mountains, in valleys
of lush green,
Is where I shall be seen.
Plowing, Hunting, Fishing . . .
Becoming the man I wish to be.
Through these fields of pain,
raging battles, death, and sage.
It is now here for all to see,
the turn of the page.
Sun raining down upon us like hell,
Rain never pouring, drying up everything,
living and dead, as well.
Mist covered mountains, in valleys
of lush green,
Is where I shall, forever, be seen.
